THIS DEED, made this 29 day of August, 1986, between Bernard L. Brown and Norma Jean Brown, husband and wife, the Grantor, and THE FEDERAL LAND BANK OF SPOKANE, a corporation, whose mailing address is West 601 First Avenue, TAF-C5, Spokane, Washington 99220, the Grantee,

WITNESSETH, that the Grantor, for and in consideration of the covenants hereinafter contained and other good and valuable consideration, does by these presents grant, convey and warrant, unto the Grantee, and to its successors and assigns, forever, all the property described on Exhibit "A" attached hereto and incorporated herein.

ALL SITUATE IN County of Elmore, State of Idaho, as subject to rights of way and easements for roads, utilities, and irrigation ditches as same exist or appear of record.

Together with all water and water rights used upon or appurtenant to said property and/or shares of stock or water in any ditch or irrigation company which, in any manner, entitles Grantor to water, including but not limited to Licenses No. 61-7005, 30901, 30902, and 61-7396, and any and all tenements, hereditaments, easements, rights, privileges and appurtenances thereunto belonging or used in connection therewith, and the reversions, remainders, rents, issues and profits thereof. 61-2154 61-2155

Dear Mr. Greer:

This department has received a log of a well that you have had drilled by C. L. Hiddleston in the SW¹/₄ NE¹/₄, Sec. 19, T. 6 S, R. 6 E, B.M., Owyhee County but is unable to correlate the log with a permit to appropriate groundwater. Would you please identify the permit under which this well was drilled.

If no permit has been issued for the well in question, please be advised that Idaho law requires a permit to appropriate groundwater for all uses except those using less than 13,000 gallons of water per day, and a permit application should be filed with this department at once.

Very truly yours,
